Virginia Plumbing & Mechanical Inspectors Association
December 14th, 2012 BOD/GM Meeting
Louisa County Administration Building

President Bladen called the meeting to order at 10:00 AM

Secretaries Report: Minutes from Graves Mountain's July 27th BOD/GM meeting were approved with one amendment to add John Seay to the attendance

Executive Secretary Report: See attached

Treasurer's Report: See attached

ICC Report: See attached

ICC Region VII Report: Region VII will be meeting January 24-25 at the Ramada Plaza Hotel in Hagerstown, Maryland. Shawn stated that New Jersey folks are to put the agenda out. Visit http://www.iccregionvii.org/ for more information.

DHCD Report: No report

DPOR Report: No report

BCACC Report: Meet on October 12th. One regulatory change for retired tradesmen is they will not be required to continue getting CEU’s. OSHA training is available to each locality by request. DHCD has no intention of adding OSHA training to the code academy.

Ad Hoc Committee’s

50th Anniversary Report: Dustin has ordered the umbrellas for the 2013 School of Instruction

Joint Summit: March/April of 2014 will be the joint conference and the location at this point is Richmond. VPMIA, VBCOA, and the elevator association will be involved. IAEI has opted out as has the fire folks. Each group will have separate registrations and all funds will be deposited into the joint account currently managed by Dennis Martinelli and Jim Collins. The balance in this account is $9347.88 The group voted to move forward after all initial concerns had been addressed.

Committee Reports

Advertising/Yearbook: No report

Audit/Finance: No report

Awards: John has received a couple of awards applications. He also requested the award nomination information be moved to the top of the homepage on our website.

By Laws/Parliamentarian: Bylaws committee met on November 2nd, completed article 3 draft, no meeting date set yet but more than likely in January 2013. Complete draft ready for submittal to the Board
hopefully at the Feb BOD meeting and present to the general membership at the school of instruction. Paul noted that in the past the bylaws took upwards of 3 years to complete.

**Nominations:** Bane is calling current officers to confirm they wish to move forward, has received 2 nominations for The Treasurers position.

**Legislative:** No report

**Certification/Education/Training:** April 2013 SOI classes are full, agenda to be released in January.

**Plumbing/Mechanical/Fuel Gas:** Committee met on Monday December 10th, discussed and submitted a code change to DHCD to allow a single 4 burner electric residential stoves with vented residential hood for use in A-3. Roughly 15-20 changes are proposed for the group B code changes, deadline is January 3rd. Anticipating a committee meeting late February/early March. There is a proposal to allow gas dryers and ranges to be exempt from permit. The committee did not support this and suggested to John Catlett to get the definitions of appliance and equipment go back thru the legislative process to clean up these definitions.

**Membership/Publicity:** Working on the history pages and have scanned some of the photo albums and will continue to do so, the new photo/history page can be found at [http://www.vpmia.org/historyphotos.htm](http://www.vpmia.org/historyphotos.htm)

**Time/Place:** Next meeting is February 15th 2013 with location to be determined. Wayne has requested that the organization should be looking for a new time/place chairman. Jesse Hurt is suggesting that we start reserving SOI locations 2-3 years out for better negotiating deals.

**SOI:** No report

**Old Business:** Joint conference notes: We agreed: To align annual conferences with joint conference date/season on rotational bases (VPMIA 2014; VBCOA 2017) the rotational selection chooses days of the week and location of event registration should be independent by Association; however a base amount from each registration should be allocated to the joint fund. Any charges over the base amount should be directly allocated to cover the expense incurred for such additional activity. That way all revenue goes to the fund. Finance Sub-Committee to work this out. We agreed to design the conference as a revenue generator to cover future joint conference events and create parity among all participating Associations. If that goal was successful, we would disperse the current fund balance back to VBCOA and VPMIA. However, if that goal was not achieved we could fall back on the current joint conference account funding to cover any loss up to the account balance. We agreed to further explore DHCD’s offer to finance the event based on them having the lead role in training (both CCT and other non-required training programs offered through the JPBCA). The joint conference account currently has $9,347.88 of funding available for use or refund. Currently, Jim Collins is set as account administrator for VBCOA and Dennis Martinelli is account administrator for VPMIA.

**New Business:** A motion was made, seconded, and approved to reimburse the 5 members who went to Portland if they went over the original $1500.00 that was approved at Graves. Geary stated that while keeping a budget for VPMIA is not that difficult it is very hard to create a budget when you have no idea how many folks may attend any given code hearing conference based on different locations across the country.

**Other Business:** A motion was made and approved to support all funding for Richard Grace to attend the 2013 April hearings in Dallas. The board will review any applicants who may want to attend and come up with an expense cap at our next BOD meeting in February. We agreed to keep the SOI full registration fee at $125.00 We discussed looking for a new location for the Summer SOI, also reverse the agenda to start the day with the General Membership meeting and then have our lunch, and then the training. Discussed the stationary as the envelopes are about gone and the glue on them is no good. Geary has proposed using regular envelopes and purchasing a stamp with our address and this was agreed to.

**Adjourn:** 1:55 PM

ICC Announces Internal Realignment
Focus will be to continue to support Members in providing public safety, enhance the value of ICC Membership, ensure financial health of the association

Today (Nov. 30, 2012) the International Code Council (ICC) announced an organizational realignment aimed at better positioning the association to focus on core activities and providing services to ICC Members. The goal of these changes is to ensure the financial health of the Code Council for the long term and best enable the association to effectively meet the following key priorities:
- Deliver the greatest value to ICC Members
- Provide products and services that help Members accomplish their public safety work
- Ensure support for the entire ICC family of codes
- Focus on the best interests of the association as a whole
