The plaques will remain where they are now. Paul will call Bane and have him take a picture of the award to be placed on the web page.

Old Business

Paul Rimei has worked on getting a CPA to take care of our tax exempt status. Dustin made a motion for Paul to proceed with his efforts in hiring a CPA. Ron Clements made a motion to amend this, to have a CPA chosen at the President’s discretion be retained to investigate our tax exempt status and to do a financial audit of our records as well as retaining him as an ongoing advisor. This motion was approved by the Board. Paul will give a report on his findings at our BOD meeting in September.

The Time & Place committee is to make recommendations to the General Membership at the Summer School of Instruction to consider a location for the next years Summer School of Instruction.

Treasurer Report May 22, 2013

See attached checking register from 03/01/2013 through 05/21/2013

To the best of my knowledge, based on the detailed information contained within the attached register, the following is a summary of the expenses associated with the 2013 VPMIA Annual School of Instruction held at the Holiday Inn in Sandston, Virginia between the dates of April 3, 2013 through April 5, 2013. If there were other costs associated with this event prior to the 03/01/2013 register, I was unable to locate such information.

Income consisting of registration, yearbook advertising, and tabletop vendors;

$15,570.00

Expense consisting of plaques, gift cards, casino vendor, hotel and ball room, yearbook printing, and postage and supplies;

$19,446.87

Balance – ($3,876.87)

VPMIA provided scholarship funds to seven individual members to attend the ICC Committee Action Hearings held in Dallas, Texas between the dates of April 21, 2013 through April 30, 2013. The Department of Housing and Community Development (DHCD) pledged to match funding for these individuals, up to a total of $4,500.00. The total cost for these scholarships (air fare/vehicle, shuttle, hotel, meals) equaled $8,048.50. At present, VPMIA is awaiting processing of matching funds from DHCD.

Respectfully submitted,

Richard Grace

Updated HUD Form Allows New Homes to Meet IECC Energy Requirements to Qualify for FHA Financing

The U.S. Department of Housing and Urban Development has updated its Builder’s Certification of Plans, Specifications and Site form to require home builders to certify that a new home complies with the 2006 International Energy Conservation Code or a newer edition of the code. Homes not in compliance with the IECC will not qualify for Federal Housing Administration loan financing. While this is not a federal requirement for all new homes, it is a requirement for any home a builder wants to be eligible for FHA financing. You can view the updated form here: http://portal.hud.gov/hudportal/documents/huddoc?id=92541.pdf&mkt_tkt=3RkMMJWWf9wsR0nuK%2FLtZKqjHpfsX76O0vT%2Frnn28M3109ad%2BrnPBn%2B2YFw8p8na%2BqWCgs2vrQ8lI1Rv9S87Vo60%3D

DHCD staff news
We have a number of staff changes to share - Larry Brock has left DHCD to take advantage of a number of career opportunities. We wish Larry the very best and thank him for his five years of service to the Agency and BFR. In Larry’s absence any of the State Building Code staff can assist members.

We are pleased to welcome Richard Potts back to BFRD. Richard is our newest Senior Construction Inspector in the State Building Codes office (SBCO). Originally from Norfolk, Richard worked for SBCO before stretching his skills with the DHCD weatherization program the past few years. Please join us in welcoming Richard starting May 28th.

This past March the Virginia Building Code Academy was sad to send Joe McCoy to Detroit as he pursues a new career opportunity with General Motors. In Joe’s absence we have completed the recruitment process and expect to bring on our new Training and Development Specialist very shortly. We look forward to introducing our new staff at an upcoming meeting.

Update on the 2012 Regulatory Cycle
Please note that the updated schedule for the 2012 Regulatory Cycle is now posted on the DHCD website. Members should note a number of specific dates in the process including:

- A tentative Workgroup meeting for discussion on all remaining items and any new changes is August 22.
- Public Hearing is scheduled for September 23.
- Anticipate final approval by BHCD on December 16.

From that point we will wait for Governor’s signature – remembering that we will have a new governor.

April 2013 - VPMIA’s Building Safety Month Committee created a 1/8 page color newspaper advertisement for publication in the Richmond Times Dispatch. The Richmond Times Dispatch is a major metropolitan newspaper which circulates to over 117,000 daily readers. The ad incorporates ICC’s Building Safety Month campaign logo and directs readers to VPMIA’s website to learn about plumbing and mechanical safety and maintenance tips. The ad also incorporates a QR code capable of being scanned by various mobile devices and once scanned, mobile device users are automatically directed to VPMIA’s website. The ad ran once on May 1st and again on May 14th. The total cost to VPMIA for these important public service advertisements was $763.00 which was paid in full on April 26, 2013.

April 2013 - In preparation for ICC’s May 2013 Building Safety Month, VPMIA’s Building Safety Month Committee created a series of plumbing and mechanical safety and maintenance tips for posting on VPMIA’s website. When viewed online, each plumbing and mechanical safety tip includes embedded links which open a web page containing videos and/or technical articles which offer additional information on the subject matter. The safety and maintenance tips were made available at http://www.vpmia.org/bsm.htm for viewing, downloading and printing on April 30, 2013 and are still available on the website.

VPMIA submitted a resolution in support of Building Safety Month 2013 to ICC on April 21, 2013. The resolution was the first Chapter Resolution or Proclamation to be posted on ICC’s website. The resolution may be viewed at http://www.iccsafe.org/BSM/Pages/proclamations.aspx under Chapter Proclamations.

VPMIA member, Randy Pearce spent three days instructing Vo-Tech Students in his locality on various code provisions of the Virginia Uniform Statewide Building Code.

VPMIA’s President attended the Building Safety Month Proclamation ceremony held April 14, 2013 on the steps of the Capital building in Richmond. 1) The 2013-2014 committee members are: Andy Severson, Dave Maupin, Jon Sargeant, Jay Otto, and I.

2) I visited the best western in Louisa County and if we want to do training in August we can rent the room for $650.00 plus tax-the room will comfortably hold 100 people. We would have ample time to get the word out on this training event. It needs to be done on a Saturday for the best draw.

3) The Graves agenda will be out in the next few weeks.

4) I met with Jay Otto and attended a Richmond Chapter ASPE meeting and encouraged the attendee’s to join VPMIA as associate members which would then make them eligible to attend future training events and get their CEU’s which are approved by ASPE. I also informed the group when 2012 plumbing code update training is ready I will contact them and see if they would be interested in a class.

5) I am going to try to meet Jon Sargeant later this year and attend the Washington DC ASPE Chapter and discuss the same things as I did with the Richmond folks.
VPMIA BOD meeting May 24th, 2014 – Chesterfield VA

VBCOA report for VPMIA

- Two members were awarded honorary membership – Rodger Robertson and Geary Showman (VPMIA member)
- There is now a fairly active permit technicians committee as part of VBCOA please advise your permit staff as they may not be aware.
- VBCOA annual conference is in Front Royal on November 3rd, 4th, and 5th. Joint VPMIA/VBCOA conference to be held April 2nd thru the 5th, 2014 in Richmond.

VPMIA PMG code committee

- Next PMG code committee meeting is being held June 14th from 10am until 2pm in Louisa. The following items are to be discussed
  - Public comments to be submitted for the Atlantic City final action hearing.
  - ACCA manual S draft for public comment
  - Start looking any changes that this committee may wish to submit for the group c code cycle (IGCC). These changes are due by January 3rd of 2014.
- I would like to rotate future PMG code committee meeting locations around the state of VA. If district director would be willing to help find for strategic locations in their relevant district that would be greatly appreciated. Staunton, Prince William, Louisa, and Charlottesville have been past meeting locations and are great locations but are there others. I remember meeting in Charlottesville at a Ponderosa (I believe this has now been razed) and a large number of attendee’s was this just for lunch?
- VBCOA has asked how the committees are mentoring or looking for future leadership of the committees. One avenue they look at is having a co chair for committees. I would like to ask both organizations for a co chair to see if anyone is interested. This co chair could help in establishing meeting locations fill in for the chair if they are not available to make a meeting. Also I would like to reach out to sister states in Region VII and invite them to attend PMG committee meetings or VPMIA events. This is one idea that Guy had to reach out to these sister states to try and help them advance their organizations and get more involved as a statewide organization.
- Has any scholarship funding for VPMIA members been established for the Atlantic City hearings and if so how much?
